(If more than one defendant is named in the complaint, attach an additional page providing the same information for each additional defendant.)

3. The Amount in Controversy

The amount in controversy—the amount the plaintiff claims the defendant owes or the amount at stake—is more than \$75,000, not counting interest and costs of court, because (explain):

III. Statement of Claim

Write a short and plain statement of the claim. Do not make legal arguments. State as briefly as possible the facts showing that each plaintiff is entitled to the damages or other relief sought. State how each defendant was involved and what each defendant did that caused the plaintiff harm or violated the plaintiff's rights, including the dates and places of that involvement or conduct. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

- 1) On August 26, 2022, a completed application was submitted to Korman Communities d/b/a AVE Union for apartment 1111, which was to be available August 30, 2022. Defendant has failed to respond to the submitted application and all affidavits and private notices of claim that were sent electronically and certified mail via the United States Postal Service. I have reason to believe the application and terms and conditions are deceptive and meant to mislead to create an unconsciousable contract due to the discriminatory housing practices displayed from the defendant in connection with this consumer credit transaction.
- 2) Defendant was provided the opportunity to state a claim or to remain silent and to agree with all terms set forth in the unresponded, unrebutted certified Affidavit of Non-military, Affidavit of Income Exemption, Affidavit of Fact, Notice of Private Claim, and the Notice of Default.
- 3) The defendant was presented with a final opportunity to cure their administrative default on or about October 12, 2022, which plainly stated the defendant actions and lack of response appears to be intentional and is being taken as willful noncompliance. At the time, the defendant was made aware of damages sustained as a result of these violations, including but not limited to past and future emotional pain, suffering, inconvenience, mental anguish, loss of enjoyment of life, health damage, loss of career, and damage to reputation to me and my persons.

(All exhibits are attached for the record)

IV. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

I, LaShonda-Lynn: Clark, living woman, pro se Plantiff is asking the court to order affirmative relief due to the defendant's intentional violations, including but not limited to furnishing deceptive forms, fraud, discriminatory housing practices, civil rights violations, violation of privacy, violations under Title 15, and acting in bad faith as the defendant has willfully and maliciously remained silent in not responding to my certified claims when provided opportunities to cure their fault in interferring and depriving my extention of credit and unalienable rights.

Plantiff prays for equitable relief and default judgement in favor of the Plantiff for remedies and damages under law and equity;

adjudge that Defendant violated the Consumer Credit Protection Act, Fair Housing Act and Title 18 Civil Rights;

order the defendant to remit forty-five thousand united states dollars (45,000) to plantiff for actual and statutory damages;

award Plantiff reasonable attorney's fees and costs incurred in this action; award other and further relief as the Court may deem just and proper.

V. Certification and Closing

Under Federal Rule of Civil Procedure 11, by signing below, I certify to the best of my knowledge, information, and belief that this complaint: (1) is not being presented for an improper purpose, such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation; (2) is supported by existing law or by a nonfrivolous argument for extending, modifying, or reversing existing law; (3) the factual contentions have evidentiary support or, if specifically so identified, will likely have evidentiary support after a reasonable opportunity for further investigation or discovery; and (4) the complaint otherwise complies with the requirements of Rule 11.
